At the Club, we have 202 bedrooms and several event spaces available. We are unique in that we are open to, and welcome, all ranks. Interview with Mark FEILD FIH, Operations Manager "We felt it was essential to have a defibrillator because of the large numbers of members and guests using the Club during the day and staying overnight. Moreover, one of the purposes of the Club is to provide a venue for a range of different functions and social events so we frequently have large groups in the Club; our largest hall can host and event for 300 people". Why did you choose DOC? "After meeting with DOC, we realised how quickly we needed to act when someone suffers from a cardiac arrest. It makes sense for us to be able to do something ourselves, rather than have to wait for paramedics to get to us, and of, course we cannot predict a cardiac arrest; it can happen at any time. The live connection aspect of it. I like its features in term of the GPS, the person on the line who provides reassurance and guidance, and the remote maintenance. This means that we have the comfort that, when we need it, the defibrillator will work. It's a very smart piece of equipment." How has it helped you manage the business or risks within it and why did you choose Almas as your supplier? The reason for having one is to save somebody's life. When you need it but when you do, you know you are covered. How do you find the service from Almas Industries? "The trainer was very good; he was very well received by the team here. The team enjoyed the training and now seem very relaxed about the prospect of using it. We feel very confident with DOC on site that, when the worst happens, we can do more to help." UNITED KINGDOM: Marketing & Sales Enquiries: 0333 567 6677/ [email protected] Technical Queries (customers): 0844 995 96 94Address: Almas Industries UK Ltd - 5th Floor - Westworld - Westgate - Hanger Lane - London, Within walking distance of Marble Arch tube station, Padding Station, Oxford Circus and Hyde Park. This event venue offers a unique space to host a variety of events including conferences, meetings, training days, exhibitions, parties and dinners. The seven event rooms differ in capacity with the largest available to 300 delegates, and all have natural daylight. The VSC also provides in-house catering, led by experienced Executive Chef, Paul Mattocks. This venue presents a versatile event space offering incredible value, without compromising on the level of service quality, plus the VSC was the first London venue to be accredited with the highly esteemed Meeting Industry Association's, Gold Aim accolade. Project Type: Refurbishment / External Contract Administrator: Cluttons LLP Site Manager: George Freeman Client: Victory Services Club is a prestigious private members club and registered charity for retired veterans, serving members and immediate family members of Commonwealth and NATO armed forces. The site is a large building located in the heart of London, fronting Edgware Road and Seymour Street, just off Marble Arch. The project was to undertake various external maintenance works. The works include brickwork repointing with hydraulic lime, waterproofing of the rear flat roof, the formation of drip detail, new bay roof covering into the existing window sill, repointing of defective brickwork joints, mastic works, joinery repairs, and decoration works, joinery r terms here. The Club is a registered charity that re-invests revenue from commercial events to fund schemes, including free breaks for injured members and instead operate as a key worker hotel supporting NHS and military personnel whilst working in London. Operations Director, Mark Field said: "We are all so 'Happy' to be able to welcome members back to our restaurants and bars next week. Since March 2020, our journey has been rather varied and our staff have been on and off furlough, or working hard to enable us to operate as a Covid secure key worker hotel. Everyone was coping with the constantly changing rules, which impacted on how we operated and the constant flux of what we could and couldn't do, but the fun element that we used to enjoy at work was missing. So, we decided to inject some fun back into the lives of our team and to create something to show how happy we all are to be able to reopen fully on the 17th May. Our staff loved creating the video and we now want to share our happiness wider." The video opens with the Club's CEO, Air Commodore Nigel Beet CBE and includes appearances from Operations Director Mark Field, Executive Chef Paul Mattocks, the sales and marketing team, housekeeping, maintenance, reception, kitchen and bar staff and the Club's chairman, Major General Seumas Kerr CBE. Established in 1907, the VSC has a lounge bar, coffee bar, a grill restaurant and 200 bedrooms. The Club's seven event spaces can cater for a capacity of 10-300 and can accommodate a wide spectrum of events, including conferences, meetings, exhibitions, receptions and award ceremonies.
